備註: 1. 學生申請停修課程, 一學期以一科為限, 惟停修後之學分數不得少於每學期應修最低學分數。停修之科目不退學分費, 該學分不計入當學期所修學分數計算, 但仍須記載於學生之中/英文成績單上, 成績欄以「停修」/「W」(withdraw)登錄。

2. 已辦理減修學分數者, 不得再辦理停修。

Notice: 1. Requests for course withdrawal will be limited to one course per semester and must be meeting the minimum semester credit hours after the withdrawal. Course fees will not be refunded for the withdrawn course. The credit hours of a student has withdrawn will not be counted towards the total credit hours for that semester, but a record of the withdrawal will appear on the student's transcript in the form of a "w" for "withdrawn".

2. Student who has applied for credits reducing could not apply for course withdrawal.
